

Greetings and thank you for your interest in the 2013 Merchantville Farmers Market!

The Merchantville Farmers Market is a community market supporting and promoting local farmers, growers and producers of agricultural products. Our focus is on organic and sustainable foods and goods. We welcome applicants that wish to sell fruit, vegetables, herbs, baked goods, prepared foods, dairy products, meat, eggs, plants, cut flowers and other agricultural products.

Our Farmers Market is located along a beautiful, tree-lined greenway in the heart of our downtown. The season runs from June 1st thru October 19th and will take place from 9:00 AM until 1:00 PM on the **FIRST** and **THIRD** Saturday of each month and operates rain or shine.

This year we are opening vendor spaces free of charge at the Market to Merchantville's businesses and organizations so they can promote and advertise their enterprise. **These vendor spaces are being offered for display purposes only, not for retail sales.**

If you would like to reserve a space please complete and return the enclosed registration form and the Hold Harmless-Indemnification Agreement by Monday, May 5, 2013 to:

**Merchantville Farmers Market
1 West Maple Avenue
Merchantville, NJ 08109**

After submission you will be contacted by our Market Coordinator to complete the process required for participation as a vendor.

Thank you,

The Merchantville Farmers Market Committee
